PLISSADA

A Cortina Plissada, com seu tecido leve e delicado, valoriza a silhueta de uma janela, deixando o ambiente com personalidade e um toque especial. Com suas camadas bem definidas e levemente transparentes, tornam o espaço suave, delicado e com foco na valorização da luz natural.

As múltiplas coleções da Cortina Plissada oferecem variadas opções de cores, texturas e design que valorizam a silhueta de uma janela. O verso perolizado da Cortina Plissada **Pearling**, de 25 e 35mm, promove maior reflexão do calor e mantém a temperatura interna agradável, especialmente nas cores de tecido mais escuras.
